Invite all your friends!

Tee Times begin at 11:00AM

The Quota Game is an individual player game that incorporates a "Beat Your Own Points Quota" format and a Net Skins game.

Every time a player plays in the game the computer updates their Quota for the next time they play either up or down depending on how they do. It's fun for all players because you are playing against yourself, not the field. Win a share of the prize pool for every point above your quota! Max Handicap 36.

Must have a handicap to establish your quota.

\$20 Entry Fee + Golf Fees
